Mother Veronica of the Passion

Foundress of the Apostolic Carmel

1823 - 1906

The Apostolic Carmel is the logical development of a spiritual quest of Mother Mary Veronica for a better translation of love, concern for poor and faith in the divinity.

Sophie Leeves, religiously known as Mother Mary Veronica was born in Constantinople on 1st October, 1823. Her father was Henry Daniel Leeves, an Anglican chaplain and mother, Marina Haultain. The Leeves family was very much involved in charity work and promotion of true religion and “binding up the broken hearted”. Sophie strongly believed that prayer, deep faith in God and work go together to achieve divine bliss. After a fruitful search, with the help of the Bishop of Bayonne, France, the first convent of the Apostolic Carmel was opened on 16th July, 1868 at Bayonne. Mother Veronica sent the first batch of Apostolic Carmelites to Mangalore on 19th November, 1870 and they established the first Indian convent at St. Ann’s, Mangalore. She died at Pau, on 16th November 1906 at the age of 83.

The little seed sown in the heart of Mother Veronica over 140 years ago, has now grown into a mighty tree with its branches spreading over the length and breadth of India and even reaching to Sri Lanka, Kuwait, Pakistan, Kenya, Rome and Bahrain. The congregation has six provinces and is centrally administered by the Superior General Sr. M. Susheela and team from the A.C. Generalate, Bangalore.

HISTORY OF THE COLLEGE

Providence Women's College, Calicut, is one of the largest higher education centres for women in the state of Kerala. It was established in 1952 by the Sisters of Apostolic Carmel, as a noble initiative to spread the message of empowerment through education among the women folk in the Malabar region. After the initial years of functioning in the premises of Providence High School, Calicut, the college shifted to its own building atop the picturesque Florican Hill. Providence College is the result of the collective effort of a committed group headed by our founder Principal, Mother Gabrielle. It was affiliated to the Madras University in 1952 and later on it became part of Kerala University in 1958 and finally it was brought under the University of Calicut in 1968. The college provides instruction in 6 post graduate courses and 13 under graduate courses. 6 UGC approved Add On Courses, 9 Certificate Courses and 3 Diploma Courses are offered by the college along with the main stream of academic instruction. Along with the A grade awarded by NAAC, the college has also been granted the status of CPE- College with Potential for Excellence by the UGC. The academic exercises of the college are well supported by the non curricular initiatives. The qualified teachers, the vibrant students, the enlightened leadership and the provision for manifestation of talents of the students constitute the fabric of Providence Women's College. Quality of life coupled with the cultivation of healthy life attitudes has been the main agenda of the management.

The Managing governing body consists of:

- The Manager (The Provincial Superior)
- The Educational Secretary,
- The Local Manager (Superior of Carmel Hill convent)
- The Principal
- A representative of the Management
- A staff member nominated by the Provincial Superior.

VISION

The vision envisages the formation of responsible citizens of the country who will contribute to the transformation of the world.

MISSION

- To create a community of staff and students committed to the pursuit of academic and ethical excellence.
- To empower our young women to rise up to the challenges of the times, by enlightening them with the best of ancient wisdom and new knowledge with a global outlook.
- To foster an inclusive culture by providing equal opportunities for education to every section of the society.
- To inspire Catholic students to live up to their full Christian commitment.
- To motivate students to imbibe the Gospel values and be instruments of positive change in the society.

OBJECTIVES

- To train students in creative thinking, accuracy of expression and to develop in them leadership qualities.
- To provide students with opportunities to excel in the fields of art and culture, and thereby to ensure the continuity of our rich cultural tradition.
- To encourage women to participate in sports and games
- To make students aware of their roles in the family and society, and thereby to inspire them to work for the uplift of women and children.
