DEPARTMENT OF CHEMISTRY  
PROVIDENCE WOMEN'S COLLEGE

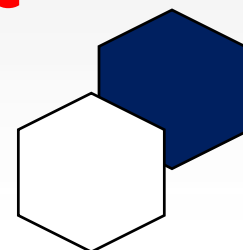

2022-23

## overview of the department

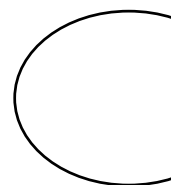

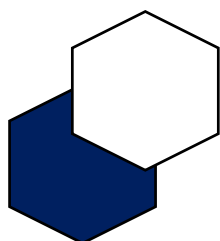

YEAR OF ESTABLISHMENT 1958

B.Sc CHEMISTRY  
COMPIMENTARY CHEMISTRY -  
PHYSICS,ZOOLOGY,BOTANY OPEN COURSE-  
ENVIORNMENTAL CHEMISTRY ELECTIVE-POLYMER  
CHEMISTRY

CERTIFICATE COURSES  
Water Quality Assessment  
Research Methods & Writing  
Solid Waste Management  
Food Adulteration  
Food Preservation Techniques  
Food Additives

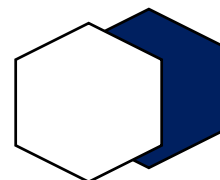

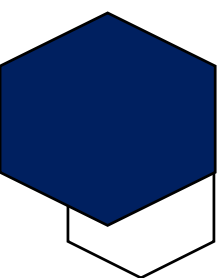

SKILL DEVELOPMENT PROGRAMMES  
BRIDGE COURSES

## VISION

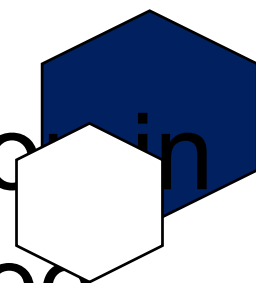

**To mould our students into motivated and value oriented participants in building the India of our dream**

---

## MISSION

**To give strong foundation in Chemistry Value Based Education Prepare the students to meet the challenges of life**

# FACULTY

Dr. Sr ASHA THOMAS

Dr. DEEPTHI JOSE

DR. ANU JOSE

DR. RESHMA C

DR. ANJALI B R

DR. LALLU K R

## ACHIEVEMENTS

### Orientation/ refresher courses attended by faculty

**Sr. Ash Thomas:** Safer and greener chemistry labsguru Angad Dev Teaching Learning Centre,, and KALSA College Delhi

**Dr. Deepthi jose:** Digital Pedagogies for achieving Sustainable Development Goals in Education

➤AIACHE New Delhi & Lady Doak College Madurai,

Safer and greener chemistry labsguru Angad Dev Teaching Learning Centre,, and KALSA College Delhi

➤**Dr. Anu Jose** :4-Week Faculty induction/orientation O Programme for “Faculty in Universities /Colleges/Institutes of Higher conducted by Ramanujan College of Education ,Delhi

➤”Safer and greener chemistry labsguru Angad Dev Teaching Learning Centre,, and KALSA College Delhi

➤**Dr. Reshma C**:1 Week National Level Online Faculty Development Program on Outcome Based Education (OBE) -The IQAC of JPM Arts and Science College, Kanchiyar, Idukki in association with ipsr solutions limited, Kottayam from 16 February to 22 February 2023

➤**Dr. Anjali B R**:1 Week National Level Online Faculty Development Program on Outcome Based Education (OBE) -The IQAC of JPM Arts and Science College, Kanchiyar, Idukki in association with ipsr solutions limited, Kottayam from 16 February to 22 February 2023

### Papers published

➤**Sr. Asha Thomas**:The co-adsorption of thymohydroquinone dimethyl ether (THQ) and coumarin present in the aqueous extract of Ayapana triplinervis on mild steel and its protection in hydrochloric acid up to 323 K: computational and physicochemical studies RSC Advances2022 May

➤Green Approach to Corrosion Inhibition of Mild Steel in Hydrochloric Acid using Extract from the Pericarp of the fruit Tamarindus indica (Tamarind),Feb2023

➤**Dr. Deepthi Jose**: Anion Exchange Reaction of CsPbBr<sub>3</sub> Perovskite Nanocrystals: Affinity of Halide Ion Matters

➤**Dr. Anu Jose** :Physico-Chemical Analysis of Well Water in Mavoor Region, Calicut district, Kerala PP.367-378 ,Recherche-A Digest of Multi-disciplinary Explorations

➤**Dr. Lallu KR** :Input-export fluxes of heavy metals in the Cochin estuary, southwest coast of India. Environ SciPollution

➤**Reshma C**: Biomass-derived inherently doped multifunctional hierarchically porous carbon as an efficient electrode material for high-performance supercapacitors

## SWATHI U (III Chemistry)

- JAM Qualified
- GATE Qualified
- First Prize for Power quiz conducted by KSEB
- First prize-Science Quiz conducted by Spices board
- 2<sup>nd</sup> prize for science quiz conducted by CWRDM
- 2<sup>nd</sup> prize for science conducted by CCC&PWC in International Symposium on sustainable development
- Bzone competitions-Sanskrit story writing -2<sup>nd</sup> prize
- Aksharasokam-2<sup>nd</sup>
- Kavyakeli-3<sup>rd</sup>

Anjusha M

## SNEHA P (III Chemistry) – Qualified JAM

- **FATHIMA HANNA PT(II Chemistry)**-Summer project by Indian Academy of Science

## ANJUSHA M (III Chemistry) - Selected as Indian Navy Agniveer Woman

- **MANYA R(III Chemistry) -**
- **SHIVANI M (III Chemistry) -** National taekwondo Champion
- **APARNA P (III Chemistry) --**First prize-Science Quiz conducted by Spices board
- 2<sup>nd</sup> prize for science quiz conducted by CWRDM
- Internship with E cell of IIT Karakpur- Selected to the final stage

Shivani M

- **SWATHI P & SNEHA SAJEEV(III Chemistry) -** Internship with E cell of IIT Karakpur- Selected to the final stage

- **MEGHA V(II Chemistry)-I** Independence Day nterdepartmental Quiz-2<sup>nd</sup>

- **SANDRA P M & GAYATHRI G K(III Chemistry)-** Sports Day(Shot Put and Discus Throw)

- **ANJOOM(I Chemistry)-**District Kalaripayattu Championship-Winner

- **ASWANI (III CHEM) & ANANYA JAYAPRAKASH(II Chem)-** Bzone- Margamkali-2<sup>nd</sup>

- **SONA M NAIR (III CHEM) & AKHINA (IICHEM) -**Students day competition -Bharathanattam and Kuchyppudi-2<sup>nd</sup>

- **Adithya, Sanikha, Shijina, Krishna Priya and Nandana-** Students day competition- Vanchipattu-1<sup>st</sup>

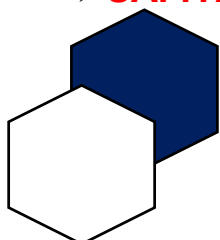

- **SAFIYA(IChem)-** Bzone- Mappilapattu-3<sup>rd</sup>

# ASSOCIATION ACTIVITIES HIGHLIGHTS

## Internship Programme- Makeintern-IIT Karakpur

One week internship programme is conducted by E cell of IIT Karakpur. The topic was on computational chemistry and taught them on different types of softwares which can be used for different purposes.

## Exhibition-CHEMSPEC2K22 NOVEMBER 1st & 2nd

Workshop conducted for +2 students. From 11 schools, 1000 students visited the exhibition.

Class on Mixture analysis and basics of computational analysis is given as a class given. The topics covered Volumetric analysis- Acidimetry & alkalimetry, Permanganometry, Dichrometry, Complexometry, Argentometry etc, Chemistry in every day life.

Salt, its flame colouration and analysis, identification of organic compounds, different types of Chromatography, Electrochemical cells, Environmental protection, and glass blowing.

A mobile Food analyser from RAL was brought explaining how to analyse food.

Dr. Sheeba Velathur- An alumna put up a stall exhibiting their products and explaining on probiotics and Natural Products.

## International Symposium on - Chemistry for sustainable Development. February 17th 2023

Dr. Samuel, the Director of CWRDM was the chief guest. He inaugurated the seminar and gave a talk on water availability. Dr. Thanshwa gave a speech on organic molecules in photovoltaic cells. Three

**About Department**  
The Department of Chemistry, established in 1956, is one of the premier departments of Providence Women's College, Kozhikode. The Department has striven to set high standards of teaching and learning. The department organizes and affords the participation of students in various co-curricular, extracurricular activities to complement their academic life. The department is a beneficiary of IIT-STAR College scheme and hosts research projects funded by national agencies.

**About CCC**  
Calicut Chemistry Collective is a forum of Chemistry Teachers and Researchers South Central and nearby colleges in Calicut University of Calicut / NITW CWRDM. The main objective of the collective is to organize Talks / Seminars / Symposia / Conferences etc. For students and teachers of schools and colleges with a view to motivate them and familiarize them with the latest advancements in Chemical Sciences and related areas.

# STUDENT SUPPORT PROGRAMMES

## INVITED LECTURES

### ACADEMIC

On 20th October 2022 Chemistry association was inaugurated and a talk was conducted on the topic “Graphene - The Material of the Era” by Dr . Renuka N. K, Professor of chemistry department.

She discussed the synthesis methods, properties and applications of graphene

### SKILL DEVELOPMENT

**Life Skill Seminar:** Life Skill Seminar on Chemistry of togetherness was conducted by Mr, Noufal C. 38 students participated in the programme and there was games, role play, talks and discussion

A talk on the topic ‘Adolescent mental health’ was conducted on 11th January. Ms. Ancy T Chacko, councillor was the speaker

By

## I DC Chemistry

23 JANUARY 2023

 AUDITORIUM  
 3:30 P M

A promotional poster for the 'Talent Day' event. The background is a blue, draped fabric. The text is white and blue. It includes the department and college names, the event title 'Talent Day' in a large, cursive font, the presenter 'I DC Chemistry', the date '23 JANUARY 2023', and the location and time 'AUDITORIUM 3:30 P M'. There are two logos: a college crest on the left and a 'DCHEM' logo on the right.

# FRESHERS PARTY

Freshers day for first years was put together on 7/10/2022 comprising interactive games , dance and music. The freshers party was arranged by second year students of Chemistry.

# SEND OFF PARTY-III Years

On March 6th send off party was given to the 3rd years. Remembering with gratitude the contributions of the 3rd years the juniors show cased a cultural programme along with games, sharing of memories etc.

# FIED TRIP (I YEARS)

On 05- 2- 22 I years visited Regional Analytical Laboratory, Malaparamba.

# FIELD TRIP ( III YEARS )

On 15th December III years visited NIT .

On 3rd February III years visited CeNS (Center for Nano and Soft Matter Sciences), Indian institute of science.

# DAYS CELEBRATED

**WINNER**

VANDANA  
III ZOOLOGY

*Congratulations*

# CHRISTMAS CELEBRATION

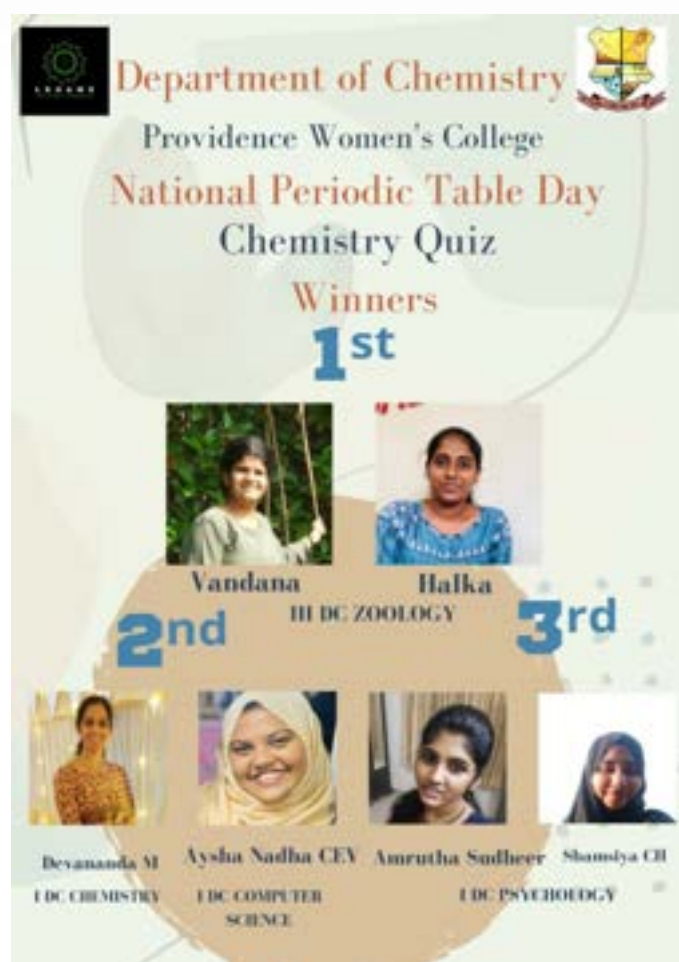

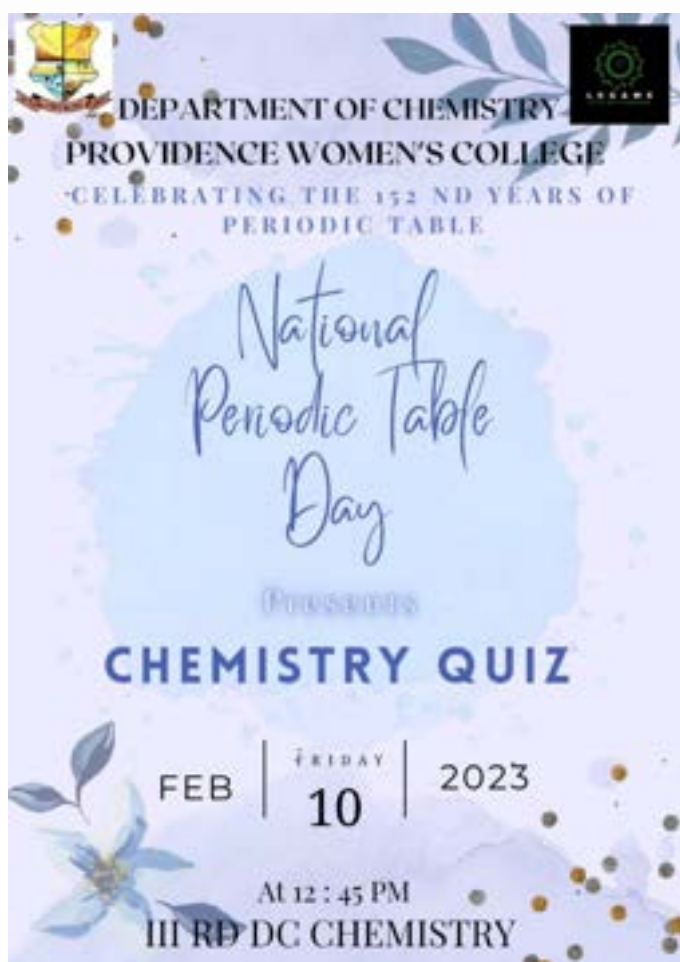

On 23-12-22 celebrated christmas at Karuna Bhavan, oldage home.

# NATIONAL PERIODIC TABLE DAY

As part of national periodic table day a quiz was conducted on 10th February.

# WOMEN'S DAY

Women's day was celebrated on March 8th  
Began cutting the cake and sharing the joy of being created as a woman.  
The second years were divided into five groups and they presented papers on contribution of Indian women in different fields. The topics were-

- Indian women Scientists
- Women in Indian Cinema
- Inspiring Women Entrepreneurs from India
- Contribution of Indian women in Sports
- Politics and Women of India

**MIRA NAIR**

**Dr. Kamala Sohoni**

## Sheila Kochouseph Chitilapilly

# ASSOCIATION VALIDICTORY

- **Magazine Release-** The manuscript magazine of Dept. of Chemistry-CHEMLITE was released on 28th February by Ms. Bindu Amat, Associate Professor of English Dept. Ms. Chandana and Ms. Pranays along with a group of 1st years worked as editor and assistants.
- **Send off to Ms. Bindu Amat**
- A send off programme was arranged in honour Ms. Bindu. She retired after a long time of 28 years in the college. A vibrant teacher who truly was loyal to the college
- **Achiever's Day:** The same day was celebrated as Achiever's day. We honoured the students who stood in front of academic, arts, sports and other areas

# R&D PROJECT PRESENTATION

In association with research and development cell, a project presentation was conducted on July 21, 2022 at 3PM by the 2019-22 batch.

Presented by:

Smruthi N

Ameesha C M

Anvitha Shyam

Aiswarya A O

Neamah Fathima M R

Sona K S

# ALUMNAE CONTRIBUTIONS

**BOND BOOSTERS\_ Online interactive session**  
**ALUMNAE MEET- On Janary 26th**  
**Live interaction with the students**  
**Stalls in Exhibitions**

**BOND BOOSTERS:** An online interactive sessions the alumnae who have contributed much to the society and the present student. The students make use of this opportunity to clear their doubts and selct for the future.

# EXTENSION ACTIVITIES

## WORTHY CASTOFFS MISS A MEAL VISIT TO OLD AGE HOMES MV FUND

Collected books, blankets and bedsheets from the students and faculties of our college.

 **PROVIDENCE WOMEN'S COLLEGE**  
Department of Chemistry 

### Worthy Castoffs 2022

We are collecting book's, blankets and bedsheets from the students and faculties of our college

**'Be a part of this venture**  
By gifting it to those who might have better use of them

 Books can be in any genres

Bedsheets and blankets should be clean and usable 

**You can donate the mentioned things before 8th August 2022**

*"Things that are useless to you may be basic needs for others"*

# MV FUND-A HAND TO NEARBY HIGH SCHOOL

Donated forty instrument boxes and college notebooks to Parambil Bazar High school on 24/06/2022.

**THANK YOU**
